Renewable Energy at Sparsholt College

As this newsletter is published the Consultation Event relating to the proposed Green Gas Mill at the college will have taken place. We hope that many residents were able to attend this event and that it was helpful. Do pass on any comments that you may have to the Parish Clerk clerk.sparsholt@parish.hants.gov.uk. All feedback will be used to inform the Parish Council's response to the eventual Planning Application.

Forthcoming Events - Queen's 90th Birthday Celebrations

The Queen celebrates her 90th birthday in 2016. Events are taking place around the country and the Parish Council is willing to help sponsor a celebration in Sparsholt. Please do contact any member of the Parish Council with any thoughts and ideas.

Projector

Supported by a Winchester City Council Small Grant the Parish Council has purchased a projector. This will enable the Council and members of the community to both see and hear presentations from the Council and other organisations. These will include planning, highway issues and presentations from individuals and organisations wishing to communicate and discuss matters with the council or community.

If you wish to use the projector for a council or community presentation please contact the clerk.

Advertising

Local businesses may wish to advertise in both this newsletter (published every two months) or on the Parish Council website. A special introductory offer of £5 a quarter (for a minimum of two quarters) is available. Please contact the clerk for further information.
