

Sparsholt PC Minutes 15 January 2015 Annex H Memorial Hall

Maintenance: All in order. The back door has been mended by removal of leaf “pen” and weather board at the foot of the door and replacement. Damage to the Hall by a delivery lorry has been repaired.

Infestation (nearly) of slugs into the kitchen: Averted by cleaning, brushing and use of slug pellets.

Finance: Discussion to continue at next Exec meeting on 28 Jan. There was a very successful Xmas Fayre and Pantomime before Xmas and this should help the balance. An enormous thank you to all involved.

Car parking: The original meeting held on 23 Oct 2014 has produced no follow up whatsoever. Regardless of this we need to strengthen the statement in the “Summary Terms and Condition of Hire” about car parking responsibilities.

Unfinished Business: Includes the Defibrillator, the Piano, the Escape Route and Marketing of the Hall.
