On 1st April Hampshire Constabulary underwent a organisational restructure, meaning officers moving
locations and the way officers work and the way jobs are deployed has changed, all these changes will
take time to be implemented and time needs to be given for us to see the benefit of all the changes. Your
local team are still based out of Alresford and you will primarily still be covered by PCSO Jon Worsdell and
PCSO Kerry Croutear.

Your local Rural Safer Neighbourhoods Team have carried out several operations in the last year in
conjunction with Sparsholt College to raise the students' awareness of road safety and drug awareness.
We are currently in talks with the college to initiate a Student Watch scheme also.
