

MORT & STROUD LTD

ROOFING CONTRACTORS

New and Old Work
Repairs and Lead Work

Mr Ian Hay

June 2015.

Re, Village shop roof in Sparsholt Nr Winchester.
Dear Ian thank you for your enquiry and quote as follows.

To strip of all tiles and stack on site for reuse.

Take of battens and treat as rubbish.

Supply and fix breather felt to all of stripped area.

Supply and fix 38x25mm treated battens fixed with galvanised nails.

Reuse all sound tiles making up with tiles to match.

Supply and fix new bonnett hip tiles (colour of your choice) all fixed and bedded and pointed after.

Clear away all material and debris on completion.

Supply and erect necessary regulation scaffolding.

Complete £4100.00.

Plus VAT

As above but with new machine made clay tiles (colour of your choice)

Complete £4820.00.

Plus VAT

There is no insulation between roof boards and tiles, if you require this it will be at an extra cost.

Any unforeseen timber work etc found when roof is stripped would have to be classed as an extra, no extra work would be carried out without first discussing it with yourself.

Yours sincerely P MORT.
