

Portfolio Holder Reports – Notes for Meeting

Highways

Nothing specific to report.

Stewart Wooles 14 January

Playground

As previously reported, all the ropes needing renewal have now been renewed and the gate has been fixed. Outstanding is still the issue of stoppers to prevent finger entrapment at the gates, but I am awaiting a discussion at the next annual inspection to see whether this is something which we can really achieve in practice.

I am also aware that some of the fencing needs renewing, but this is not on our leased playground area but on the land retained by WCC.

Nigel Reid 12 January

Shop

There is nothing of significance to report. The Memorial Hall has now acquired the telephone kiosk and has licensed the Shop to use it in return for maintaining it.

Nigel Reid 12 January

School

Cllr Cobbold attending meeting with Head Teacher on 17 January with verbal report to be given at SPC meeting

Footpaths

Note from clerk – annual priority cutting footpaths to be specified to HCC before 1 February, Peter Yeates annual contract renewal from 1 February
